Jackson County Water & Sewer Authority's ServLine® Protection Programs

Effective July 1, 2017

Leak Loss Protection Program*

Jackson County Water & Sewer Authority offers protection against costly service bills caused by unexpected leaks, up to \$2,500 coverage per occurrence.

In the event of a costly water bill caused by high water usage due to a qualifying leak or line break, Jackson County Water & Sewer Authority's leak loss protection program covers the costly utility bill once the active cause of the leak has been repaired.

All eligible Jackson County Water & Sewer Authority customers are automatically enrolled in our optional expanded Water Leak Loss Protection Program and charges will appear on your utility bill. Call us at 706-707-4500 to decline protection and accept full responsibility for all excess water charges caused by a leak.

Water Leak Loss

Residential Single Occupancy\$1.95 per month

Line Protection Program

Exterior water service line repair or replacement can be costly. Help guard the exterior water service line of your home today and get up to \$10,000 per qualifying repair†. This optional plan helps cover qualifying service line cracks or breaks occurring on your property from the meter to the foundation of your home.

You are responsible for costs associated with exterior water line failures on your property, and everything from erosion to soil acidity to outdated practices for installing pipe can lead to issues far sooner than expected. In case you need to get your infrastructure up and running again in the event of a crack or break to your water line, we encourage you to consider *optional* line repair and replacement coverage before that happens.

See below for more Information. Call 706-707-4500.

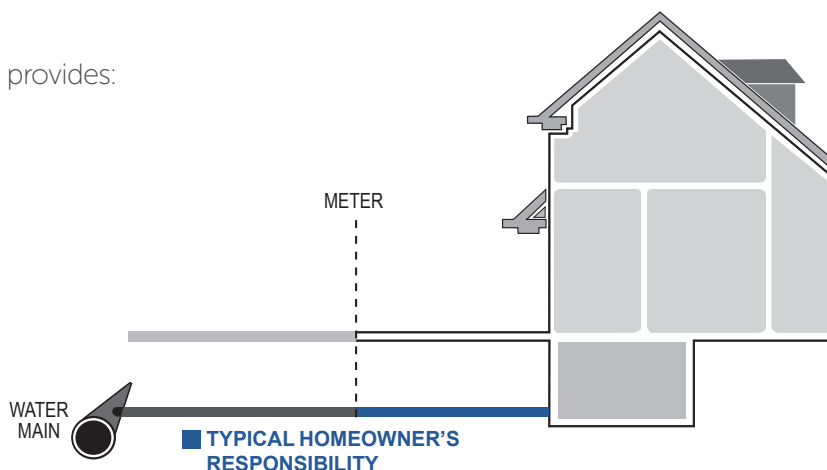

Protection for your exterior water service line†
