

Wastewater Collection Systems Operator

The Jackson County Water & Sewerage Authority (JCWSA) is seeking a trustworthy and self-motivated individual to fill the position of Collection Systems Operator. Applicant will possess basic computer skills and be able to communicate clearly, both orally and in writing.

The Collections Operator will be responsible for operations and maintenance of the Authority's wastewater collection system and pump stations in a safe, professional manner.

JOB REQUIREMENTS:

Have a High School diploma or equivalent (GED).

Be able to read and write English well.

Have a valid Georgia Drivers License.

Pass a pre-employment physical with drug screen and criminal background check.

Must achieve a Georgia Wastewater Collection System Certification within twelve (12) months from date of hire.

JCWSA is a drug free work environment

JCWSA is an Equal Opportunity Employer and E-Verify compliant.

Interested individuals should send a cover letter, resume and both personal and work references to kjohnson@jcwsa.com or fax to 706-367-1759.
