

Meter Maintenance Technician

The Jackson County Water & Sewerage Authority (“Authority”) is seeking a full-time Meter Maintenance Technician. This position includes an excellent benefit package with medical, dental, life insurance, retirement plan, generous paid time off and more. The starting hourly pay for this position is a minimum of \$20.67 and is negotiable depending on experience.

The primary duties of the position include, but are not limited to, reading water meters, installation and repair of water meters, and assistance with the inventory function. A successful applicant will have a basic knowledge of math and computers to include a working knowledge of Microsoft Office applications. In addition to an appropriate technical background, the applicant shall have the ability to deal tactfully and courteously with the general public.

A High School Diploma or GED is required. The ideal candidate should have One (1) or more years’ experience in the field of public water operations. However, JCWSA will offer training in areas needed for the right individual who is hard-working and willing to learn new skills.

The applicant must be a Certified Water Distribution Operator in the State of Georgia, or have the ability to obtain the certification, at the Authority’s expense, within 18 months of employment. All candidates with similar experience are encouraged to apply.

The applicant must submit to a comprehensive criminal background check and pass a pre-employment drug screening. The Authority is an Equal Opportunity Employer and participates in Georgia’s E-Verify

For a comprehensive job description, please visit the Authority’s website at www.jcwsa.com. Please submit your resume to hr@@jcwsa.com or K. Johnson, Jackson County Water and Sewerage Authority, P.O. Box 869, Jefferson, GA 30549.
